Hi, Erica, Tom – I tried reworking this one a bit, as it's in response to a specific request from the Seminole re: the draft retained waters GIS layer, but there are gaps I'm looking to Tom to fill in. Namely, what can we say about our commitments/consultation/conversation with the Seminole re: the GIS layer? Please see comments in bubbles.

Hi Rosemary, this is the third controlled correspondence from Michelle Diffenderfer. Jeaneanne requested a more detailed response. I left in the information about our consultations and added information about the response from Florida.

Thanks, Erica
